

HURUN Recognises Simarpreet Singh in ASK Private Wealth Hurun India Successor 50 List

Mohali, XX: Simarpreet Singh, Executive Director & CEO of Hartek Group, has been featured in the **ASK Private Wealth Hurun India Successor 50 List** and **has been felicitated at the Hurun Future Forum Awards**, which honour India's exceptional next-generation business leaders shaping the future through leadership, innovation, and long-term impact.

The ASK Private Wealth Hurun India Successor 50 List celebrates visionary successors who are carrying forward and transforming Indian enterprises through innovation, responsible leadership, and sustainable growth. Simarpreet Singh's inclusion reflects his contribution to strengthening India's power and renewable energy infrastructure while advancing the country's clean energy transition.

Under Simarpreet Singh's leadership, Hartek Group has strengthened its position as a leading Engineering, Procurement, and Construction (EPC) company in India's power and renewable energy sector. The company has connected **over 10 GW of solar power** to the grid, executed **400+ EHV & HV substations**, and installed **200 MWp of rooftop solar capacity**, supporting India's vision of a resilient and sustainable energy ecosystem.

"I am deeply honoured to be recognised by HURUN and ASK Private Wealth. This recognition belongs to the entire team at HARTEK. Together, we remain committed to building India's power and renewable energy infrastructure, enabling the nation's energy transition, and contributing to a net-zero future," said **Simarpreet Singh, CEO, Hartek Group**.

The recognition reinforces Hartek Group's commitment to delivering reliable power and renewable energy infrastructure that supports India's clean energy ambitions. Through innovation, execution excellence, and sustainable solutions, the company continues to play a significant role in strengthening the nation's energy infrastructure and accelerating its transition towards a greener future.
